

結束了學校暑期志願服務活動後，就便有了空餘的時間可以進行植苗工作的家庭探訪。經過安排後，我於2020年8月底進行植苗家庭訪視。這次訪視的家庭是陳欣怡的家庭。家中現有父親、母親和陳欣怡，一共三人。

欣怡同學是一個準備升四年級的學生，她的家裡裝修十分簡陋，生活上也非常樸素。欣怡是一個活潑可愛的小女孩，訪視她的家庭時，看見她的手臂受傷了，但是我並未看到她悶悶不樂，反而是熱情的招待我，帶我參觀她的家，等待我拍照。並且愉快地交談她在學校和家庭生活的情况。她的學習成績一向很好，但她有一顆謙虛的心，還向我請教很多的問題，針對她提出的

問題，我也為他做具體分析，提供一些解決的方法，鼓勵她好好學習。

在生活上，欣怡同學沒有太多的要求，只希望她的家人都能健健康康，平平安安的，她就滿足了。雖然她的年紀較小，再加上她的手臂受傷，但是能做的家務很多，一直都為家人分擔壓力。她的家庭經濟雖然困難，父親身體有較嚴重

的腰椎間盤突出，不能幹重活，只能在家裡做一些力所能及的家事。因此家中只有母親在縣城工作，供應家庭開支。雖然她的家庭經濟困難，但是他們相互給彼此的溫暖是很多家庭所沒有的。她的家庭一直都信奉著上帝，父母親每一個禮拜天都會去教堂敬拜和讚美耶和華，向上帝禱告，我深深的祝福他們，願她的家人一切安康。

通過此次訪視，我喜歡上了這個可愛懂事的小女孩，她沒有抱怨生活的不公，對生活中的苦難，她都能理性的對待，是這個年紀裡的孩子裡所罕見的。她是一個一直傳播正能量的孩子。從她身上，我感受到她的信心，也鼓勵我以信心去面對困難。她一直都相信神在眷顧和保守她的家人。她有著樂觀的生活態度和積極

向上的學習態度等等都讓我十分欣賞。願主與她的家庭同在，賜福於他們。

After the volunteer service activities of the summer school, there was time for the Seedling home visit. After an arrangement I had a home visit in 2020 late August. This is the Chen Xinyi's family, a family of three, father, mother and Xinyi.

Xinyi is going to fourth grade. Her home is sparsely decorated and life is simple for the family. Xinyi is a very lively and lovely girl. Her arm was hurt but she was not gloomy about that. Instead, she warmly showed me around, waiting patiently for me to take pictures, and happily talked about her school and family life. Her grades have always been good, and yet she has a humble heart and asked me many questions. I tried to give her some specific answers, and encouraged her to study hard.

Xinyi does not ask for more, just health and peace for the family and that is enough for her. She is very young, and her arm is hurt, but she tries her best to help around the house. Her family financial situation is tight. Her father has a serious disc hernia that prevents him to do heavy job and confines him only to some house work. So only the mother works in the county and provides for the family. Although her family is tight in finance, the warmth and helping each other is something many

other families do not have. The family is a Christian family. The family goes to church every Sunday giving praise to God.

Because of this visit, I fell in love with this cute little girl. She does not complain, she can rationally deal with the hardship in life, which is rare among children her age. I admire her positive and optimistic attitude and a hunger for knowledge. I am encouraged by her confidence to face difficulties. She always believe God is taking care of her family. May our Lord be with them always, bless them and keep them safe and healthy.
