

小武出生在一個基督化的家庭，家人很早就帶著他一起參加教會聚會。小時候去教會是因為那裡有好多小孩子能一起玩，老師還會講聖經故事，發糖果。不知不覺地，聖經故事便在小武的生命中產生了啟蒙的作用。例如：信就能得救，神是無所不能的…等等教導都漸漸烙印在幼小的心靈中。小時候，小武經常發燒，但是很少打針吃藥。爸媽爺爺奶奶總是滿有信心禱告，使他得到醫治。小武清楚的記得有一次發燒了，躺在床上，奶奶就跪在床邊帶著他禱告，小武不一會兒就睡著了。醒來之後，他便能直接去找鄰居夥伴玩了，回家之後奶奶問還他身體如何，小武說：「沒事了。」奶奶就說這是神給的醫治，小武也相信這是神的醫治。

初中時上學的時間越來越長，就與神越來越遠，甚至開始懷疑神的存在，也越來越迷茫。那時候他遇到事情才禱告，沒有事就想不起來禱告，小武心裡沒有神了。直到八年級的時候，因為身體衰弱的

原因需要每天喝中藥，住進了恩典之家受照顧（教會裡辦的孤兒之家）。因著每天禱告與睡前讀一章聖經，他感覺靈裡又

再次成長。過了沒多長時間，小武的病也就好了，這是他的生命的又一次成長。

高中三年中，小武是班長，在班裡很忙，不過這也促進了他與神的關係更近。有好多事情不能或不知道怎樣解決的時候，小武就禱告，求神幫助。許多困難與挑戰便順利的解決。這也讓小武越來越與神親近。每年的夏令營中，小武也扮演著大哥哥的角色，幫助老師帶領兒童們唱歌及講聖經故事。

現在小武已經遠離家鄉，去別的省上大學了。對於未來也有所規劃，是一位相當成熟的大學生。在校時得到同學們的喜歡，每週也有機會參加服事與聚會。相信神會一直保守看顧小武與其他的植苗大學生，讓他們在學校時能充實地裝備自己，未來也能更多榮神益人，成為其他植苗兒童的好榜樣！

Woo was born in a Christian family and was taken to the church since he was very little. He liked church since there were interesting games, playmates and bible stories, even free candies. Gradually, some bible stories enlightened him. Teachings such as: believe, so that you'll be saved; God can do everything etc. rooted in his little heart. When he was little, Woo got sick often. His parents and grandparents always pray with faith at the time. He still remembers that once he got fever and laid in bed, grandma kneeled beside him and prayed. He started to fall into sleep, after he woke up, Woo was fine and went directly to play with boys in his

neighbor. His grandma told him the Lord healed him, and he also believes it was God's work.

He started to be busy in his school work during middle school, getting far from God. He became more and more confused and even doubt the existence of God. He still prayed when something unexpected happened, but forgot about God most of the time. Until when he was in eighth grade, he got very sick and started to take herb treatment daily, and live in a church orphanage for people to take care of him. Woo read a chapter of the bible

and prayed daily there, his spiritual life started to grow again. Sometime later, he was healed, and also got stronger in spirit.

During high school years, Woo was leader of his class and was very busy at school, this drew him closer to the Lord. While facing difficult situations, he prayed for God's help. Many difficulties were solved smoothly, and he became closer to God. In our summer camps, Woo act as the older brother for the campers and helped the teachers to lead them to sing and teach them bible stories.

Woo is now away from home in college. He is a mature young man now and has his plan for the future. He is liked at college, active in church. We know the Lord will guide him and many other Seedling students, equip them to glorify His name and be examples for other Seedling kids!
