

小秋是一位雲南納西族女孩，出生在山區的一個農民家庭。六歲時父母離異，小秋與姐姐則跟著爸爸。家裡經濟收入單一且不穩定，一年的收入大部分都拿去還前一年的欠款。小學五年級開始成為植苗受助兒童。除了爸爸外，還有個非常疼愛小秋的奶奶。奶奶身體不好時常生病，她是個很虔誠的基督徒，小秋很小的時候就時常跟奶奶去教堂做禮拜，小時候不懂只知道跟著去，後來漸漸長大，慢慢的也就懂了一些。

2011年小秋升上初中，奶奶把她所有的愛都給了小秋，奶奶用平常時間賣一些農作物省下來的錢供小秋上學。那個時候奶奶擔心小秋在學校吃不好，總會偷偷把自己捨不得用的錢給小秋去買一些有營養的東西。2016年3月份奶奶離世了。雖然奶奶不在了，但小秋一有時間依然會去教堂做禮拜，知道終有一天會與奶奶再相見。

2015年小秋進入高中，學校離家比較遠，所以很少回家，但是週末都會和朋友一起去參加青年團契，暑假時也珍惜參加植苗夏令營

會。參加團契讓小秋感到很快樂，兄弟姐妹之間互相關愛、互相幫助，能夠互相包容，感受到了團結的力量，每個人都很友好。

2018年小秋考進大學至今也快一年了，結交了很多新朋友，更多的是學到了很多的新知識。平常沒課的時候小秋都會跟朋友一起去圖書館或校園看看書。有些時候也會去參加一些社團活動，充實自己的生活。學習方面，不懂的地方也會去找同學問。生活方面，在植苗獎學金的幫助下也就不用再為學費與生活費憂心，可以安安心心學習。不斷學到新知識以外還學到了如何去做人，幫助別人，不斷提升自己。

小秋說她會記住自己的信仰，銘記神的話語，為自己的理想奮鬥。到大學也會常常去聚會，追求生命的成長，更深的認識神。我們誠心希望小秋能夠在今後的日子中，將這些在她生命旅程中所得神無比的大愛，隨時隨地把基督的馨香之氣帶給周圍的人！

XiaoQiu is a girl born in the mountain area of a farmer's family in Naxi, Yunnan. XiaoQiu and her sister stayed with their dad after their parents divorced when she was 6. Their financial situation is very unstable. The major part of the yearly income is used to pay off the past year debts. She becomes a member of Seedling Project when she is in primary 5. Besides her dad, she has a grandma who loves her very much. Her grandma is sick all the time, but she is a devoted Christian. XiaoQiu follows her grandma to Sunday church service since young, and she slowly understands the purpose of attending Church.

XiaoQiu started her middle school in year 2011, grandma gave all her love to XiaoQiu, and provided her school fund from selling crops. Her grandma worried about XiaoQiu would not get the healthy diet in school, she tried to save her hard earned money to buy healthy food for XiaoQiu. Her grandma passed away in March, 2016. XiaoQiu still attends church service without her grandma, she knows she will see her grandma again in the future.

XiaoQiu went to high school in 2015, the school is far away from home, so she seldom went home, but she attended fellowship with friends every weekend, and also attended the Seedling Project camp during the summer break. Joining the fellowship makes XiaoQui feel very happy. The brothers and sisters care for each other, help each other and accommodating each other. They are very united and friendly.

It has been a year since XiaoQui went to college in 2018. She has made many friends and has learnt many new knowledge. When there is no class, XiaoQiu will go to the library or campus to study with friends. Sometimes she would join some club activities to enrich her life. With the help of the Seedling Project, she can continue to study without worrying about tuition and living expenses. Beside knowledge, she has learned how to be a good person to help others and constantly improving herself in life.

XiaoQiu said she will remember the words of God and her religion. She will strive for her goals. In the university, she will continue to attend church service, and to know God more deeply. We sincerely hope that XiaoQiu will share this Godly love she came to know to the people around her!
