

經過聯繫植苗家庭後，我們前往了韋俊的家中，進行訪問工作。剛剛到達他家時，他們熱情地招待，臉上的喜悅讓人感到舒心。經過了一番交談，我瞭解到，韋俊的家中有四口人，父母工作不穩定，而姐姐剛剛畢業進入社會，前往了深圳打拼，韋俊就讀於中學八年級。

在這番交談中，我感覺韋俊是一名充滿上進心、開朗、勤奮的孩子。剛剛見到他時，感覺有點害羞，。但是他的笑容很陽光，學習情況良

好，雖然物理有些不好，但是他也積極地向我詢問如何學好物理。他的積極好學也使他進入了學校的重點班。他也是一個愛運動的男孩，他看起來很健康，最喜歡的運動是跑步，時常參加學校裡的跑步比賽。當我問到他將來有什麼打算嗎，他搖了搖頭，可能他現在還小沒這麼多的計畫，或許也是迷茫。願主能帶領他走向正確的道路，我也相信他會一直跟隨主的腳步。

我第一次見到韋俊並不是這一次家訪，而是以前在主日學。那時他是小學三年級學生，靦腆可愛，在主日學學習時，他總是在那一群吵鬧小孩子中最安靜最認真的一個。明亮清澈的眼睛睜得很大，仿佛渴望能見到天父一般，願主能一直賜予他平安喜樂。如今看到他，那個安靜認真的小男孩長大了，眼裡的明亮清澈還是依舊，我想他還是和我們一樣深愛著我們的天父。

再來說說我對他生活環境的感受，他家尚未裝修，家中的牆面上到處露出磚頭。家中的交通工具是一輛電瓶車和一輛摩托，看起來也是有些年頭了。家中也堆積了一堆廢品，等積存多了拿去換錢。他們也很樂觀，我想這就是上帝賜予的喜樂吧!

我想到自己接受植苗的資助這麼多年，感覺我的人生彷彿翻了盤。如今我又看到了另一位受助兒童韋俊，使我感慨萬千，也為他感到快樂!

感謝植苗帶給我們這麼多的愛，願上帝賜福保佑。

After making the connection with a Seedling family, we were able to visit Weijun at his home. The family welcomed us warmly. Their smiling faces made us felt right at home. After our visit we had a better understanding of their family situation. There are four members in the family. The parents do not have stable employment. Wejun's sister has just graduated from school and started to work at ShenZhen. Weijun is in the 8th grade.

I found Weijun to be optimistic, open, mature, ambitious and hardworking. He was a little shy in the beginning but quickly gave us his big sunny smile. He is a good student but readily admits that he needs to work on his Physics class. He even eagerly asked for our advice how to improve his Physics.

He likes sports and appears to be athletic and in very good health. His favorite sport is running and have competed in the sport at school. I asked him if he has any plans for the future. He shook his head. Maybe

it was because he is still young or that he is still searching for his future plans and direction. Pray that God will guide him to the right path. I believe he will be following the steps our lord has for him.

I remembered the first time I met Weijun was in our Sunday school. He was in the third grade at the time. He was shy and quiet among the group of children who were noisy and active. I still remembered his bright eyes which reminded me of someone who was searching and longing for our heavenly father. May God grant him peace and joy. When I saw him this time, he has grown a lot from that little boy. His eyes are still bright and eager and searching. He reminds me of my younger self who loved our heavenly father.

From what we saw, we can tell his home has not been completely built and in need of repair. There are many areas where the walls have many exposed bricks. They have for transportation is a electromobile and a fairly old regular motorcycle. I could see a lot of rubbish or trash in the house that I imagine were collected to re-sell at a later date for money. However, I was impressed that the family seems to be optimistic despite their circumstances. I can say that there is joy that can only come from our God.

I reflected on the years that I was supported by the Seedling Project which has helped to turn my life around, and now I am witnessing Weijun who is the next generation of Seedling Children. I am truly happy for Weijun.

We are thankful that the Seedling Project has brought us so much love. May God bless you.
