

The Voice of Grace School in Myanmar

CCIUSA Missionary Care Ministry

Muse, Myanmar is in the northeast of Myanmar, where pornography, gambling, and drugs are rampant. It has become a place where various armed forces compete for territory or share the spoils. In 2015, brothers in Christ responded to God's calling, hoping to give more children in suffering the opportunity to read and know Jesus. Grace School was established.

Teachers also visit students' homes and reach out to the parents. The school enrolls students from kindergarten to sixth grade and provides three meals and lodging. The school started accepting orphans in 2018. Myanmar has always been a war-torn and lawless country. In a country where chaos and drugs are rampant, many children's family members have died, or they take drugs and become homeless, leaving their families and children behind. There are now about 70 children in the school.

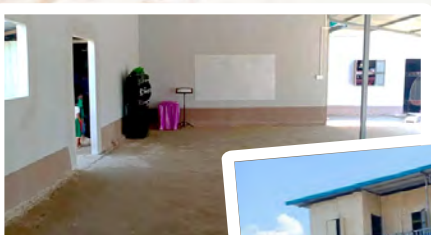

We are very grateful to see many student changes during our involvement. When the children first came, they could not adapt to the school rules. After two years, we can see the changes in the children's character and willingness to pursue the truth; some children are even willing to study in the seminary. Twelve children over 12 years old will take the initiative to arrange time for Bible reading and prayer every day.

We are grateful for the opportunity to be involved in the ministry of Grace School and see the improvement in terms of food, accommodation, and education.

We invite you to partner with us and donate to support these children in hardship. Many of them enter school for the first time when they are 13/14 years old and in 1st grade only. They finally can regain their life after being abandoned and forgotten by their family.

You can adopt these children and support a child for \$240 per year. These contributions are for the education, accommodation, food, medical care, and other expenses. CCIUSA will send the child's basic information if requested. Please contact: lilliancciusa@gmail.com or Tel: (713) 778-1144.

Please log in to the CCIUSA website, www.cc-us.org, or make a check payable to "CCIUSA" and designate your support to "Myanmar Grace School." The funds are specifically for this ministry only.
